

Clouser's Darter Bass Fly

Hook: #6 S74s Mustad
Thread: Black 140 Ultra
1st Belly hair: Orange Calf's Tail
2nd Belly hair: Olive Calf's Tail
Sparkle: Various Crystal Flash
Wing: Olive Calf's Tail

Make a thread bump 1/3 of hook length from the eye.

Secure the barbell eyes on the top of the hook shank.

Tie the calf's tail in behind the eye of the hook. Bring the thread back behind the eye and pull the calf's tail down to the shank behind the barbells. Fairly loose wraps so the hair doesn't flair.

Tie in the 2nd belly hair.

Tie in the Crystal Flash and trim to just past the length of wings.

Make a smooth tapered head. Cover the head with Gloss Coat.
