Jack Dennis with

Jeff Currier

*Fly Fishing World Championship
Bronze Medal Winner*

**European Nymphing Techniques
Plus Trout Bumming the World**

Once again Jack brings along someone from the cutting edge of fly fishing today.

Jeff Currier is a fly fishing maniac. He has dedicated his life to fly fishing and exploring around the world. His low budget way of life has allowed him to fish for trout where most of us only dream about. From Wyoming to New Zealand, Poland to Peru, Jeff has trekked the world and fished for many different species.

Jeff just recently returned from a month's trek in Africa with his wife, Granny where he caught monster Tiger fish. This was during the Trials here in October, so we wanted to make sure and have him share his stories from there and the World Championships where he took the Bronze medal in the 2003.

Jack and Jeff will also cover the European methods of nymphing that have given the Europeans the edge over us in past World Fly Fishing Championships.

Come eat, learn and be entertained with two of the most engaging men you'll hear in this sport.

Help us out on the Lower Kings!!
LOWER KINGS RIVER ANGLER SURVEY FORM

There's a new web page in town and among its other features is an angler's survey form for fishing the lower Kings River.

The web page is <http://www.kingsriverfisheries.org>. Under the Navigation menu on the left hand side is an entry titled "Angler Survey". Click on the item, fill in the blanks and submit. The results will be transmitted to the Department of Fish and Game.

Our Mission:

Fly Fishers for Conservation (FFC) was organized in 1961 by a group of devoted Fly Fishers deeply concerned with the preservation of trout and all game fish, their environment, and the quality of fishing. Our club has maintained two goals since this time:

To foster and promote the sport of angling with artificial flies

To protect, conserve, and increase our angling resources.
